

Let's Talk About It!

“All Lives Matter”

What's wrong with this slogan?

- The BLM movement states that #blacklivesmatter, **not ONLY black lives matter.**
- BLM believes, as do we, that all lives do matter and what we are asking for is help to make #blacklivesmatter so that all lives can matter!

“White Lives Matter”

What's wrong with this slogan?

- Co-founders Rebecca Barnett and Kevin Harris are members of and promote white supremacy groups such as the Arian Renaissance Society and Women's Division of National Socialist Movement, among many other neo-Nazi groups
- The slogan was adopted by the KKK and other groups in 2016

“Blue Lives Matter”

What's wrong with this slogan?

- Founded after Michael Brown's murder in response to the public outcry for BLM. Claim that police lives are in more danger than black lives even though the data is: general murder rate for ANYONE in the US is 5.6 out of 100,000 while for police officers the rate is only 4 out of 100,000. In 2015, 42 police officers were killed in the line of duty while 990 people were killed that year by police officers.
- Sets minorities as the criminals and the police as our rescuers instead of working toward reform of the systemic racism built into our laws
